Regular Giving

GIVING WITH CONVENIENCE

As part of the services offered by INC Invest, it is now possible to make regular and easy automated giving.

INC Invest can provide direct payment arrangements that are easily established and conveniently maintained.

By offering these services to church members, your ministry work can benefit from a more reliable and even cash flow.

There is no restriction on how many direct giving arrangements can be maintained for your church account.

DIRECT GIVING: HOW DOES IT WORK?

INC Invest systems operate effectively with all major banking and financial institutions. Once INC Invest has received a member's giving authority that includes their BSB, bank account number and the regular amount to be paid, INC Invest can establish the arrangement free of charge, to allow a member's giving to be paid direct to your local INC Invest church account fully automated.

The frequency of payments can be amended to daily, weekly, fortnightly, monthly or annual payments that can also include a termination date or instructions to be paid until further notice.

MAKING DIRECT CREDITS

In addition to the regular giving or receipting of money into your INC Invest account the INC Invest systems also allow for the direct crediting of regular payments from your INC Invest account to an external bank account.

There is full flexibility in regards to the frequency of payments and the expiry date requirements.

Wills & Bequests

Your will is a legal document that directs your assets and belongings when you die. Without a Will your estate will be distributed according to legislation that may not reflect your giving priorities. For your own peace of mind and for the sake of those close to you, we recommend that you have an up-to-date Will, which reflects your current wishes.

A GIFT OF UNCONDITIONAL LOVE

As part of your Will you may wish to consider leaving a gift to various funds such as the INC Church Planting Fund or the INC Property Trust Fund. These funds guarantee your gift will always be held in a trust with the monthly interest earnings creating a recurring income that will continue to grow overtime, in addition to serving the mission of INC in its various ministries.

SAMPLE BEQUESTS

If you are considering a bequest, your lawyer may find the following sample bequest sentences helpful.

“I give Christian Outreach Centre (Australia) trading as International Network of Churches for the specific purposes of (the name of a specific fund, for example, “it’s Church Planting Missions Fund” or “its church planting activities”).

For a general bequest, we wording such as, **“I give to Christian Outreach Centre (Australia) trading as International Network of Churches for the the general purposes of the INC movement“**

We also recommend that you include, **“I declare that the receipt executed by the Secretary of the Operations Board, shall be sufficient for discharge to my executors”**.

A child's hand is reaching out from the right side of the frame towards the left. Below the hand, a wooden toy airplane is resting on a dark wooden deck. The background is a blurred, textured surface, possibly a wall or a large piece of wood. The overall scene is warm and suggests a child playing with a toy.
