Your will is a legal document that directs your assets and belongings when you die. Without a Will your estate will be distributed according to legislation that may not reflect your giving priorities. For your own peace of mind and for the sake of those close to you, we recommend that you have an up-to-date Will, which reflects your current wishes.

## A Gift of Unconditional Love

As part of your Will you may wish to consider leaving a gift to International Network of Churches (INC<sup>i</sup>) various funds such as the INC Planting on Purpose Fund (church planting), INC property holdings for future development or a specific church's operations. These funds guarantee your gift will always be held in trust with monthly interest earnings creating a recurring income that will continue to grow overtime, in addition to serving the mission and mandate of INC in its various ministries.

## Sample Bequests

If you are considering a bequest to INC or one of its church locations, your lawyer may find the following sample bequest sentences helpful.

**"I give to International Network of Churches (ABN: 79 400 419 737) for the specific purposes of... (the name of a specific fund, for example, "Planting on Purpose Fund" for church planting).**

For a general bequest, we suggest a wording such as, **"I give to International Network of Churches (ABN 79 400 419 737) for the general purposes of the International Network of Churches" OR "for the general purposes of the International Network of Churches trading as [insert specific church name]"**.

We also recommend that you include, **"I declare that the receipt International Network of Churches, executed by the Secretary of the Operations Board, presently care of PO Box 775, SPRINGWOOD QLD 4127, shall be sufficient for discharge to my executors"**.
